PATENT  
REEL: 012973 FRAME: 0296

**ASSIGNMENT**

**WHEREAS**, I, David R. Demartini, a citizen of the United States, residing at 375 Reflections Circle, No. 18, San Ramon, CA 94583, am named as a co-inventor of the subject matter described and claimed in U.S. Patent No. 6,098,345 entitled "Reelable Rain Gutter Cover," issued August 8, 2000.

**WHEREAS**, Drainage Products, Inc. (hereinafter together with its successors and assigns referred to as "the Assignee"), a South Carolina corporation, having an address of 5 Larch Road, Acton, MA 01720, is desirous of obtaining all of my right, title and interest in, to and under said patent; and

**NOW, THEREFORE**, for one dollar and other good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to the Assignee all right, title and interest in, to and under said patent, including all divisional, renewal, substitute, continuation, continuation-in-part and convention applications based in whole or in part upon said patent as well as any reissues or re-examinations of said patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by me had this Assignment not been made. I hereby authorize the Assignee to file patent applications in any and all countries in my name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or the applicable laws of a particular jurisdiction.

I hereby authorize the responsible official of the United States Patent and Trademark Office, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer said patent to the Assignee as owner of all of my right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

I hereby represent and warrant that I have the full right to convey the right and interest herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that I will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

I hereby covenant and agree that I will, upon request of the Assignee, communicate to the Assignee any facts known to me relating to said invention(s) and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing and reissue applications and all rightful oaths and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce corresponding and proper patent protection in all countries.

IN TESTIMONY WHEREOF, I have executed this document on the date indicated below.
