ASSIGNMENT OF INVENTION

For U.S. and Foreign Rights

FOR VALUE RECEIVED, We, **Raymond F. Dalphond of 144 Marble Street, Stoneham, Massachusetts 02180** and **Richard R. Dalphond of 55 Pillsbury Road, Londonderry, New Hampshire 03053** (hereinafter Assignors), hereby sell, assign, and transfer unto:

I Mozaic Trust of 14 Clarissa Drive, Chelmsford, Massachusetts 01824 with **Robert T. Dalphond as Trustee**

(hereinafter Assignee) and unto Assignee's successors, assigns and legal representatives, the entire right, title and interest, for all countries, including all rights to claim priority, in and to the invention and any and all improvements relating to the invention entitled:

MODULAR WALL COMPONENT WITH INSULATIVE THERMAL BREAK

that was invented by Assignors and is described in U.S. Patent Application No. 09/559,184, filed on April 27, 2000, in a Continuation-in-Part United States Patent Application with the same title executed, 2002, and in any legal equivalent thereof in any foreign country, including the right to claim priority and in and to all Letters Patent to be obtained for the invention by any of the above applications or any continuation, division, renewal, or substitute thereof, and as to all Letters Patent deriving from any reissue or re-examination thereof.

Assignors agree that, when requested, they will, without charge to Assignee, sign all papers, take all rightful oaths, and do all acts that may be necessary, desirable or convenient for securing and maintaining patents for the invention in any and all countries and for vesting proportional title thereto in the Assignee, its successors, assigns, and legal representatives or nominees.

Assignors authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the invention filed by Assignors, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from Assignors.

Assignors hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document that may be required in any country for any purpose and more particularly in proof of the right of the Assignee or its nominees to claim the aforesaid benefit of the right of priority provided the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
