ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, PPL Holdings LLC, a Delaware Limited Liability Company having a principal place of business at Hartford Plaza, Hartford, Connecticut, 06115 ("Grantor") hereby sells, assigns and transfers to Corporate Systems, Inc., a Nevada corporation having a principal place of business at 1200 Corporate Systems Center, Amarillo, TX 79102, as assignee, and its successors, assigns and legal representatives, a one-half, undivided interest interest, for all countries, in and to certain inventions relating to a Workers' Compensation Information Processing System, described in U.S. Patent Application for Letters Patent Serial NO. 09/506,432, and all the rights and privileges under any and all Letters Patent, and any and all improvements which are or may be disclosed in any patent application, thereof or the legal equivalent thereof in any foreign jurisdiction for the full term or terms for which the same may be granted, and (2) any and all causes of action for infringement thereof.

Grantor requests that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

Grantor agrees that, when requested, shall, without charge to said assignee but at its expense, cause its duly appointed represented to sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

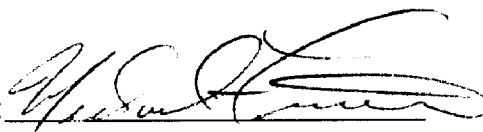

Grantor authorizes and empowers the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

Grantor hereby consents that a copy of this assignment shall be deemed a full legal and format equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

Grantor covenants with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.

Signed at Hartford, Connecticut, this 16th day of May, 2002.
