Docket No.: NAN020

**Assignment**

Whereas, I, JOHN M. CALLAHAN

have invented certain new and useful improvements as described and set forth in the below-identified patent application, and Nanoamp Solutions, Inc. (hereinafter called Nanoamp), a California Corporation having its principal place of business at Nanoamp is desirous of acquiring the entire right, title and interest in the said invention and application and in any Letters Patent which may be granted on the same;

Now, therefore, for and in consideration of the sum of \$1.00 receipt of which is hereby acknowledged, I do hereby sell, assign and transfer unto Nanoamp, its successors and assigns, the entire right, title and interest, including the right of priority in, to and under an application for Letters Patent of the United States entitled:

**NODE PREDISPOSITION CIRCUIT**

filed herewith and the inventions set forth and described therein, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore; or  
X Serial No.: 10/036,312 filed on 24 December 2001 and the inventions set forth and described therein, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore;

And for the above consideration, I agree promptly upon request of Nanoamp, its successors or assigns, to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to Nanoamp, its successors and assigns, the inventions described in said application and all patent rights therein, in the United States and in any country foreign thereto, and to cooperate and assist in the prosecution of interference proceedings involving said inventions and in the adjudication or reexamination of said Letters Patent provided the expenses which may be incurred by me in lending such cooperation and assistance are paid by Nanoamp.

In witness whereof, I hereunto set my hand and seal:
