**PATENT ASSIGNMENT**  
(Domestic)

WHEREAS, MONARCH MARKING SYSTEMS, INC., a Delaware corporation having offices at P.O. Box 608, Dayton, Ohio 45401 ("Assignor"), is the owner of the entire right, title and interest in and to the United States patents and patent application listed below and the inventions described or claimed therein; and

WHEREAS, SENSORMATIC ELECTRONICS CORPORATION, a Delaware corporation, having offices at 500 N.W. 12th Avenue, Deerfield Beach, Florida 33442 ("Assignee"), wishes to acquire the entire right, title and interest in and to such patents, patent application and inventions;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is acknowledged by Assignor, Assignor sells, assigns and transfers to Assignee and its successors and assigns, the entire right, title and interest in and to the United States patents and patent application listed below and the inventions described or claimed therein, and all foreign patents and patent applications corresponding to such United States patents and patent application, together with all rights, powers and privileges of any kind or nature belonging thereto or incident or appurtenant thereto, including, without limitation, all reissues, renewals or extensions of such patents, the right to claim priority therefor, the right to file corresponding applications for such inventions in all foreign countries and any and all other rights, privileges and powers with respect to such patents and patent application (except for the right to recover in its own name or otherwise or retain for itself any profits and damages which may have arisen out of past infringements of such patents and the right to take any action to secure such recovery, which rights are reserved to Assignor), the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made:
