## ASSIGNMENT OF INTERNATIONAL PATENT RIGHTS

WHEREAS, we, Ron Scarcella and H.L. Jordan, the undersigned "Assignors" have invented certain new and useful improvements in a COLUMBARIUM jointly with M. Erskine Thomas, the "Assignee," and have applied for a patent in the United States which was filed on January 16, 2001 in the United States Patent Office and given Serial No. 09/760,559;

WHEREAS, M. Erskine Thomas, the Assignee, of 105J Cross Creek Court, Central, South Carolina 29630, United States of America, is desirous of acquiring the entire right, title and interest in and to said invention, and in and to any Letters Patent that may be granted therefor in any and all countries foreign to the United States;

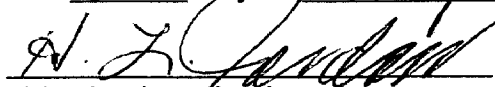

NOW, THEREFORE, in consideration of the sum of Five Dollars (\$5.00), to us each paid in hand, the receipt and sufficiency of which is hereby acknowledged, and other good and valuable consideration, we, the aforesaid Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said M. Erskine Thomas, his successors and assigns, the full and exclusive right to said invention in all countries of the world foreign to the United States and the entire right, title and interest in and to any and all Letters Patent in any and all foreign countries to be obtained therefor on said invention or any continuation, division, renewal, substitute or reissue, or reexamination thereof for the full term or terms for which the same may be granted.

Specifically, the Assignors herein do hereby sell, assign, and transfer unto said M. Erskine Thomas the full and entire right, title and interest in and to the Patent Cooperation Treaty (PCT) Application which is based on the above-mentioned United States Application and which is entitled COLUMBARIUM and which application has been filed in the Receiving Office at the United States Patent Office on January 16, 2002 together with the right to prosecute said PCT Application and to file national phase applications in all countries of the world foreign to the United States from said Patent Cooperation Treaty Application.

We hereby authorize and request all the Patent Offices of the world to issue any and all of said Letters Patent, when granted, to M. Erskine Thomas as the Assignee of our entire right, title and joint interest in and to the same.

Further, we will communicate to M. Erskine Thomas any facts known to us respecting said invention, and testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do everything possible to aid said M. Erskine Thomas, his successors and assigns, to obtain and enforce proper protection for said invention in any and all countries foreign to the United States.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals  
this 8 day of May, 2002.
