ASSIGNMENT

WHEREAS, I, Milton D. Machalek,  
have invented certain new and useful improvements in a  
SELF-RIGHTING ASSEMBLY  
for which I am about to file an application for Letters Patent of the United States of America,  
which application was executed by me on the ~~14~~ day of *June*, 2002, and

WHEREAS, Star-H Corporation,  
hereafter referred to as the Assignee, is desirous of acquiring an assignment of the  
invention disclosed in said application and other rights and benefits herein granted;

NOW, THEREFORE, in consideration of these premises and other good and  
valuable consideration, the receipt of which is hereby acknowledged, I hereby assign and  
transfer to the assignee the full and exclusive right in and to said invention within and for all  
countries and the entire right, title and interest in and to said application and such Letters  
Patent as may issue therefrom and from all substitutions, divisions, continuations, and  
reissues of said application; said application and such Letters Patent to be held by the  
assignee to the full end of the term for which such Letters Patent may be granted, as fully  
and entirely as the same would have been held by me had this assignment not been made.

I hereby further agree to make, execute, and deliver to the assignee, upon request,  
but at the expense of the assignee, any and all papers, documents, affidavits, statements,  
or other instruments that may be necessary in the prosecution of said application and of  
any substitutions, divisions, continuations, or reissues of said application, and further agree  
to assist the assignee in every way that may be requested in protecting said invention,  
provided that any expense arising through extending such assistance will be paid by the  
assignee.

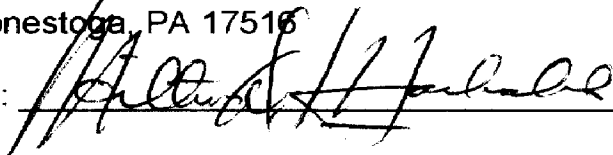

I hereby consent that a copy of this assignment shall be deemed a full legal and  
formal equivalent of any assignment, consent to file, or like document which may be  
required in any country for any purpose, and more particularly in proof of the right of the  
assignee or its successors, assigns, or nominees to apply for patent or other protections for  
said invention and to claim the benefits of the right of priority by the International  
Convention for the Protection of Industrial Property, as amended, or by any convention  
which may be substituted for it.

I hereby covenant that I have the right to grant the foregoing assignment.

IN TESTIMONY WHEREOF, I have set my hand and affixed my seal.
