ASSIGNMENT

WHEREAS, I, **Robert W. McConnell**, a citizen of the United States of America, residing at 3444 Gulfcrest Drive, Rancho Palos Verdes, California 90275, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled **"SYSTEMS & METHODS FOR MANAGING A BATTERY SOURCE ASSOCIATED WITH A MICROTURBINE POWER GENERATING SYSTEM,"** about to be filed in the United States Patent and Trademark Office; and

WHEREAS, **General Electric Company**, a corporation of the State of New York, having a principal place of business at 1 River Road, Schenectady, New York 12345, U.S.A., is desirous of acquiring an interest in the same;

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) and other good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, **Robert W. McConnell**, by these presents do sell, assign and transfer unto **General Electric Company**, the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and I hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **General Electric Company**, as the assignee, for its interest and for the sole use and benefit of **General Electric Company** and its assigns and legal representatives;

For the same consideration, I, by these presents do sell, assign, and transfer to **General Electric Company**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **General Electric Company**, or its designee insofar as permitted by applicable law.
