SOLE

GAS CONVERSION ASSMBLY
H0002326 US

ASSIGNMENT

9347 Balsam Cr Ave, Brooklyn Park

WHEREAS, I, ANDREW T. STROM of 310 Little John Drive, Circle Pines
County of Anoka Hennipen, and State of Minnesota have invented certain new and
useful improvements in a GAS CONVERSION ASSEMBLY for which an application has
been made for Letters Patent of the United States, said application having a serial number of 10/123,624
and a filing date of April 15, 2002; and

Whereas, Honeywell International Inc., a corporation organized and existing under the laws of
the State of Delaware, and having its principal offices at 101 Columbia Road, Morristown, New Jersey
07962 is desirous of acquiring the entire right, title and interest in and to said invention, said application
and in, to and under any and all Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration to me paid by the said Honeywell
International Inc., the receipt of which is hereby acknowledged, I have sold, assigned and transferred,
and by these presents do hereby sell, assign and transfer unto the said Honeywell International Inc., its
successors and assigns, my entire right, title and interest in and to said invention, said application and the
Letters Patent, both foreign and domestic, that may or shall issue, including all of my rights under any
and all international conventions, treaties and/or agreements concerning patents to which the United
States is a party, and I do hereby authorize and request the Commissioner of Patents to issue said Letters
Patent to the above mentioned assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate,
to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally
to claim the filing date of said United States application and/or otherwise take advantage of the
provisions of any international convention, treaty and/or agreement.

I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not
execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors
or administrators will at any time upon request, without further or additional consideration, but at the
expense of the said assignee, its successors and assigns, execute such additional writings and do such
additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect
the assignee's enjoyment of this grant, and render all necessary assistance in making application for and
obtaining original, divisional, reissued or extended Letters Patent of the United States, or any of and all
foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications
or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
