PATENT ASSIGNMENT

THIS ASSIGNMENT, made and entered into this 27th day of June, 2002, by and between **Walker Enterprises LLC** of 403 Lily Flagg Road SE in Huntsville, Alabama 35802, an Alabama Limited Liability Company hereinafter referred to as the "Assignor", and **Frank J. Walker, Sr.** of the same Huntsville address, an Alabama resident hereinafter referred to as the "Assignee", **DOES HEREBY WITNESS THAT:**

WHEREAS the Assignor now desires to make full and complete assignment of all rights, title and interest in and to the below described United States Patents to said Assignee in exchange for fair and reasonable consideration herewith paid, and Assignee has now agreed to accept such Assignment of interest as herein set forth with reference to the following described patents:

United States Patent No. 5,688,239 issued on November 18, 1997

United States Patent No. 6,090,069 issued on July 18, 2000

United States Patent No. 6,102,888 issued on August 15, 2000

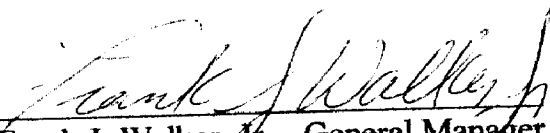

United States Patent No. 6,183,437 issued on February 6, 2001

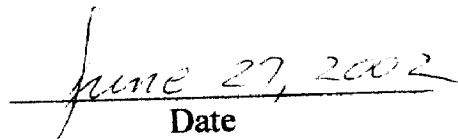

NOW THEREFORE, in exchange for good and valuable consideration which has now been fully paid by the Assignee, the receipt and sufficiency of which is hereby acknowledged in full by Assignor, the undersigned party does hereby sell, assign, transfer and set over unto the Assignee, and to all of its successors, legal representatives and assigns, the entire right, title and interest of the Assignor in and to all of the aforesaid patents and their underlying inventions, including but not limited to all Letters Patents, Divisions, Continuations, Continuations-In-Part, Substitutions, Reissues, Reexaminations and Extensions which either have been in the past or which may be in the future directly or indirectly obtained from any such patent and/or invention, either therefore or therefrom for all territories of the United States of America and all foreign countries.

Additionally, the Commissioner of Patents for both the United States and each applicable foreign country for which this Assignment shall legally apply is hereby authorized and requested to issue all such Letters Patent and other related instruments and government franchises solely in accordance with the provisions of this Assignment, in a direct and absolute manner to either the Assignee or to its successors, legal representatives and assigns, as both the legally entitled Assignee and holder of the entire right, title and interest herein granted.

IN WITNESS WHEREOF, this Assignment shall become effective and legally binding on the date first set forth above.
