PATENT ASSIGNMENT

WHEREAS, DEC Enterprises, Inc. ("Assignor"), a Wisconsin corporation having its principal offices at 140 Alta Vista Drive, Sedona, AZ 86351, is the assignee of the patent for a Automated Hole-In-One Recording System, for which Letters Patent of the United States have been issued, and which may be identified in the United States Patent Office by Patent No. 5,102,140, granted April 7, 1992;

WHEREAS, ProSwing International, LLC ("Assignee"), a limited liability company organized and existing under the laws of the State of Nevada, and having its principal offices at 6446 Highway 179, Suite 202, Sedona, ARIZONA 86353, is desirous of acquiring the entire right, title, and interest in and to said invention, said application and in, to, and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of good and valuable consideration to Assignor, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said Assignee, its successors and assigns, its entire right, title and interest in and to said invention, said application, all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that have been, may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention, and does hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

Assignor hereby authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Assignor hereby authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to insert in this Assignment any information necessary or desirable to identify said invention, said application and any and all Letters Patent to be obtained therefor,

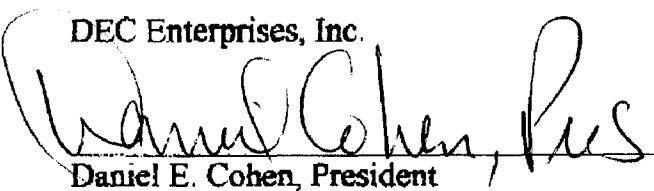

Upon said consideration Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness whereof, we have hereunto set our hands and affixed our seal as dated below.

ASSIGNOR:
