PATENT ASSIGNMENT

WHEREAS, AMERICAN FILM TECHNOLOGIES, INC., a New York Corporation, having its principal place of business at 300 Park Avenue, New York, New York 10022, as Assignor, is the sole owner of an invention entitled "Computergraphic Animation System" for which there has been a United States Letter Patent issued on October 12, 1993 having United States Patent Number 5,252,953;

WHEREAS, GERALD M. WETZLER, an individual, having an address at 32-04 171st Street, Flushing, New York 11358, as Assignee, is desirous of securing the entire right, title and interest in and to this invention in all countries throughout the world, and in and to the issued United States Letter Patent therefor;

NOW THEREFORE, for one dollar (\$1.00) and other good and valuable consideration, hereby acknowledged to have been received by the Assignor, be it known that:

(1) the Assignor has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, the Assignor's entire right, title, and interest in and to this invention, together with United States Letter Patent 5,252,953, and all reissues thereof, and all choses in action which may be based thereon, and all rights to claim and contest priority on the basis of the application therefor, and all applications for Letters Patent which have been or may hereafter be filed for this invention in any foreign country and all Letters Patent which have been or may hereafter be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and

(2) the Assignor hereby authorizes and requests the Commissioner of Patents of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, and/or to assign already issued Letters Patent to Assignee in accordance with the terms of this Assignment;

(3) the Assignor hereby covenants that the Assignor has the full right to convey the interest assigned by this Assignment, has not conveyed any interest in the invention or right to practice the invention to any third party, and the Assignor has not executed and will not execute any Agreement in conflict with this Assignment; and

(4) the Assignor hereby further covenants and agrees that the Assignor will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to the Assignor respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors, and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it

being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, an authorized representative of Assignor, and the Assignee have each hereunto set their hands this 2 day of ~~December, 2000.~~
