REEL: 013056 FRAME: 0901

ASSIGNMENT

WHEREAS, Americomm Direct Marketing, Inc., (hereinafter "Assignor"), owns the right, title and interest in, to and under the Letters Patents, which are specifically identified and listed in Schedule A, attached hereto, incorporated herein and made a part hereof; and

WHEREAS, Infoseal, L.L.C., a limited liability company organized under the laws of the State of Virginia, U.S.A. having offices at 55 West Sheffield Avenue, Englewood, New Jersey 07631, U.S.A. (hereinafter "Assignee"), is desirous of acquiring all of Assignor's right, title and interest in, to and under the Letters Patents, specifically identified and listed in Schedule A hereto, including its right to sue for and collect for past infringement thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which by Assignor is hereby acknowledged, and intending to be legally bound hereby, the Assignor does hereby assign, sell, transfer and set over unto the Assignee its entire right, title and interest in, to and under the Letters Patents identified in Schedule A hereto, and any and all renewals, revivals, reissues, reexaminations, and extensions thereof in the United States or in any country, including Assignor's right to sue for and collect damages and other recoveries for past infringement thereof; and the entire right, title and interest in all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the inventions, discoveries and applications of the Letters Patents identified in Schedule A hereto; the same to be held and enjoyed by the Assignee successors and assigns, as fully as the same would have been held and enjoyed by the Assignor had this Assignment not been made.

We hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patents in the United States and throughout the world to the ASSIGNEE of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made.

We agree, at any time, upon the request of the ASSIGNEE, to execute and to deliver to the ASSIGNEE any additional applications for patents for the above inventions and discoveries, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patents issuing on the inventions, discoveries, or applications and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

We further agree at any time to execute and to deliver upon request of the ASSIGNEE such additional documents, if any, as are necessary or desirable to secure patent protection on the above inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of the ASSIGNEE under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.

We hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

We further covenant that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to the invention and the Letters Patents identified in Schedule A hereto and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce the invention and the Letters Patents identified in Schedule A hereto and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

EXECUTED this 2nd day of May 2002.
