ASSIGNMENT

WHEREAS I/We, Holger Bengs of Frankfurt, Arnold Schneller of Messel, Jürgen Grande of Bad Soden, Silke Schuth of Ruppach-Goldhausen, Gitta Böhm of Frankfurt, and Alfred Braunagel of Mainz, all of Germany, ("Assignors"), have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled COSMETIC OR MEDICAL PREPARATION FOR TOPICAL USE, executed by me/us on the date of execution of this document, as shown below, and filed concurrently herewith; or for which an application for United States Letters Patent was filed on June 28, 2001, and identified by United States Provisional Serial No. 09/869,399.

AND WHEREAS, Aventis Research & Technologies GmbH & Co KG, a corporation organized under the laws of Germany and having an address of D-65926 Frankfurt am Main, Germany, ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, including the right to sue for past infringement, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I/We do hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention, including the right to sue for past infringement, as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, I/We hereby agree with said Assignee that I/We will not execute any writing or do any act whatsoever conflicting with these presents, and that I/We will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of Assignors and Assignee;

AND I/We request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
