ASSIGNMENT

WHEREAS, I, Michael David Church (hereinafter referred to as ASSIGNOR), citizen of United States of America and a resident of the State of Florida, have made an invention entitled "**An Enhanced EPROM Structures with Accentuated Hot Electron Generation Regions**" which I have disclosed to attorney, Richard K. Robinson of Robinson & Post, L.L.P. in Dallas, Texas, as set forth in Attorney File No. INT-0001C;

WHEREAS, I represent and warrant that I am the owner of said invention;

WHEREAS, INTERSIL AMERICAS INC. (hereinafter referred to as ASSIGNEE), a corporation organized under the laws of the State of Delaware, U.S.A., having a place of business in Irvine, California, desires to acquire the same;

NOW, THEREFORE, in consideration of One Dollars (\$1.00) in cash paid in hand, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR has assigned, sold, transferred, quit claimed, released and set over and by these presents does assign, sell, transfer, quitclaim, release and set over unto ASSIGNEE any and all right, title and interest whatsoever he has or may have in and to (a) said invention and worldwide rights therein; and (b) all United States and foreign patents which shall issue on said invention, including all reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for Letters Patent on said invention in any and all foreign countries, and to claim priority under any and all treaties and conventions to which the

United States of America is signatory including the Paris Convention for the Protection of Industrial Property for such corresponding applications, or any division, continuation or substitution thereof, the same to be held and enjoyed by said ASSIGNEE, its assigns and successors, as fully and entirely as the same would have been held and enjoyed had this assignment not been made.

ASSIGNOR covenants and agrees that he will, at any time upon the request and at the expense of said ASSIGNEE, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said ASSIGNEE, to enable and assist said ASSIGNEE to (a) obtain Letters Patent, both domestic and foreign, on said invention; (b) establish, maintain and secure title in said ASSIGNEE, its successors and assigns, to said invention and all Letters Patent related thereto, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of any such Letters Patent against any and all infringers, and perform such other acts as may be necessary to give full force and effect to this assignment.

ASSIGNOR represents and covenants that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention or patent rights has been or will be made or entered into which would conflict with this assignment and sale.

ASSIGNOR hereby authorizes and requests the Commissioner of Patents and

Trademarks of the United States to issue all Letters Patent based on said invention and each division, continuation, substitution, reissue, renewal or extension thereof to said ASSIGNEE, its successors and assigns.

IN TESTIMONY WHEREOF, I have duly executed this Assignment this

7th day of March, 2002.

A handwritten signature in black ink, appearing to read "Michael D. Church". The signature is fluid and cursive, with a large initial "M" and a long, sweeping underline.
