ASSIGNMENT CONTRACT
FOR AMPHIBIOUS VEHICLE WITH
SUBMERSIBLE CAPACITY PATENT

BETWEEN JULES A. "JAY" DORNIER, III AND
WILCO MARSH BUGGIES AND DRAGLINES, INC.

In consideration for payment of 5% of all monies received by WILCO or its associated companies (such payments to be made to Mr. Dornier, his heirs or assigns within 30 days of receipt by Wilco) from the use of the Patent assigned, I, Jules A. "Jay" Dornier, III", 429 Hale Drive, Thibodaux, Louisiana 70301, having made an invention in Amphibious Vehicle with Submersible Capacity, do hereby assign, sell, and convey to said assignee, its successors and assigns, the entire right, title, and interest throughout the world in and to:

1. Said invention in AMPHIBIOUS VEHICLE WITH SUBMERSIBLE CAPACITY;
2. United States of America patent application on said invention, Attorney's File No. 1041-01700, entitled AMPHIBIOUS VEHICLE WITH SUBMERSIBLE CAPACITY;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, including any continuation, continuation-in-part and any other utility applications that may be based in whole or in part on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;
7. The right in ASSIGNEE to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection;

and I covenant that I, and my heirs, legal representatives, assigns, administrators, and executors, will at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform any further action as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.

ASSIGNOR covenants, represents, and warrants that: I have disclosed the best mode of making and using said invention; I know of no documents, disclosures, uses, or other prior art that would prevent patenting said invention; I am the sole, original, and true inventor of said invention; the right, title, and interest herein conveyed by me are free and clear of any encumbrance; and I have the full right to convey the same as herein expressed.
