ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, as an undersigned inventor and assignor,

Hereby sell, assign and transfer to MEIDOH CO., LTD.,
a corporation of JAPAN, having a place of business at 5 Sangen-cho 4-chome,
Toyota, Japan, its successors, assigns and legal representatives, the entire right,
title and interest in and to any and all inventions which are disclosed and claimed, and any and all
inventions which are disclosed but not claimed, in a United States patent application executed by me on
June 28, 2002 and entitled A BOLT AND THREAD ROLLING DIE AND THE MANUFACTURE
OF THE BOLT and in and to said application and all divisional, continuing,
substitute, renewal, reissue, and all other applications for United States Letters Patent or other related
property rights which have been or shall be filed on any of said inventions disclosed in said application;
and in and to all original and reissued patents which have been or shall be issued on said inventions;

Authorize and request the Commissioner of Patents of the United States to issue to said
Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance
with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed
in said application;

Agree that, when requested, without charge to, but at the expense of, said Assignee, its
successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this
assignment, I or my executors or administrators will execute all divisional, continuing, substitute,
renewal, reissue, and all other patent applications or other documents on any and all said inventions;
execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said
Assignee, its successors, assigns and representatives, all facts known and documents available to me
relating to said inventions and the history thereof; testify in all legal proceedings; and generally do
everything possible which said Assignee, its successors, assigns or representatives shall consider
desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions
and for vesting title to said inventions and all applications for patents and all patents on said inventions,
in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that I have
made no assignment, grant, mortgage or license to others of the rights and property herein conveyed,
that I have made no other agreement with others affecting the rights and property herein conveyed, and
that I possess the full right to convey the same as herein expressed.
