Serial No.: 10/057,743
Filed: January 25, 2002

WHEREAS, Mr. Jose Pioquinto and Mr. James Russo have made certain new and useful inventions in "PIC ROLLER WITH CLUTCH" and have disclosed the same in an application for Letters of Patent in the United States of America therefor, said application having been filed on January 25, 2002 and assigned serial number 10/057,743;

NOW THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) in hand paid and other good and valuable considerations to us, paid by Bell & Howell Imaging Components, L.L.C., a corporation of the State of Delaware, with a place of business at 3450 West Pratt Avenue, Lincolnwood, Illinois 60712, the receipt and sufficiency whereof is hereby acknowledged, Mr. Jose Pioquinto and Mr. James Russo have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said Bell & Howell Imaging Components, L.L.C. its successors, legal representatives and assigns, the entire right, title and interest throughout the world in and to all said application, including all priority rights for other countries arising from said application; and in and to all substitutions, divisions and continuations thereof; and in and to all Letters Patents, United States and foreign, that may be granted for said inventions; and in and to all extensions, renewals, and reissues thereof.

And we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, divisional, continuing, or reissue applications, or any of them, to said Bell & Howell Imaging Components, L.L.C., its successors, legal representatives and assigns, as assignee of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, we do hereby, for us and for our legal representatives, covenant and agree with the said Bell & Howell Imaging Components, L.L.C., its successors, legal representatives and assigns, that we have full and unencumbered title to the inventions and application above described and hereby assigned, which title we warrant unto the said Bell & Howell Imaging Components, L.L.C., its successors, legal representatives and assigns; that we have not granted to any others any license to make, use or sell said inventions or performed any act; and that we will not execute any instrument or perform any act in conflict herewith.

And for the consideration aforesaid we hereby, for us and our legal representatives covenant and agree with the said Bell & Howell Imaging Components, L.L.C. its successors, legal representatives and assigns, that upon request we will execute substitute, divisional, continuing or reissue applications, amended specifications, or rightful oaths; communicate to the said Bell & Howell Imaging Components, L.L.C., its successors, legal representatives and assigns, any facts known to us relating to the said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said inventions; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for the said Bell & Howell Imaging Components, L.L.C., may be necessary or convenient to secure the grant of Letters Patent to the said Bell & Howell Imaging Components, L.L.C., its successors, legal representatives and assigns, or its nominees, in the United States and in all other countries where the said Bell & Howell Imaging Components, L.L.C. may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for the said Bell & Howell Imaging Components, L.L.C. and to vest and confirm in the said Bell & Howell Imaging Components, L.L.C., its successors, legal representatives and assigns, or its nominees, the full and complete legal and equitable title to all such inventions, applications, and Letters Patent, and to enable it to record said title, without further consideration than now paid but at the expense of the said Bell & Howell Imaging Components, L.L.C., its successors, legal representatives or assigns.

IN WITNESS WHEREOF, we have hereunto set our hand and seal this
13 day of April, 2002.
