ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I
John W. Gibson of 4558 Washington Valley Road, Springville, Alabama 35146

am the inventor of the invention in: **Extended Release Composition**

For which a United States Patent Application was filed on March 22, 1999, and now has
Serial No. 09/273,862;

And WHEREAS, Southern BioSystems, Inc., a Alabama Corporation, having a place of
business at: 756 Tom Martin Drive, Birmingham, Alabama 35211, is desirous of
obtaining the entire right, title and interest in, to and under the said invention and the said
application.

NOW, THEREFORE, I, the said ASSIGNOR, do hereby sell, assign, transfer and set
over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the
entire right, title, and interest in, to and under the said invention, and the said United
States application and all divisions, renewals and continuations thereof; and all Patents of
the United States which may be granted thereon and all reissues and extensions thereof
and all applications for industrial property protection, including, without limitation, all
applications for patents, utility models, and designs which may hereafter be filed for said
inventions in any country or countries foreign to the United States, together with the right
to file such applications and the right to claim for the same priority rights derived from
said United States application under the Patent Laws of the United States, the
International Convention for the Protection of Industrial Property, or any other
international agreement or the domestic laws of the country in which any such
application is filed, as may be applicable; and all forms of industrial property protection,
including, without limitation, patents, utility models, inventors' certificates and designs
which may be granted for said invention in any country or countries foreign to the
United States and all extensions, renewals and reissues thereof.

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks of
the United States, and any Official of any country or countries foreign to the United
States, whose duty it is to issue patents of other evidence of forms of industrial property
protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its
successors, legal representatives and assigns, in accordance with the terms of this
instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest
herein assigned, and that I have not executed, and will not execute, any agreement in
conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said
ASSIGNEE, its successors, legal representatives and assigns, any facts known to me

respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set out hands and seals the day and year set opposite my respective signature.

Executed this 27th day of SEPT, 2002

A handwritten signature in dark ink, appearing to read "J. W. Hibbs", is written over a horizontal line.
