ASSIGNMENT

For One Dollars (\$1.00) and other good and valuable consideration received of the hereinafter named assignee, receipt of which is hereby acknowledged, the undersigned **Space Corporation**, a corporation of **ANGUILLA** having an address at The Valley, **ANGUILLA** CK

hereby sells and assigns to

TDV Technologies Corp., a corporation of the State of New York, having a place of business at 225 Broadway, Suite 1805, New York, NY 10007, USA, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to

the inventions entitled "Method for producing a synthesized stereoscopic image,"

U.S. Letters Patent 6,108,005, issued August 22, 2000, and

any and all other Letters Patent and applications for Letters Patent on said inventions in the United States and countries foreign to the United States and International Patent Applications.

This sale and assignment also includes, but is not limited to, all divisional, renewal, substitute, continuation, continuation-in-part and Convention applications based in whole or in part upon said inventions, upon said Letters Patent or upon said applications, and any and all Letters Patent and reissues and extensions and reexaminations of Letters Patent granted for said inventions or upon said Letters Patent or applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent; said Buyer being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said Buyer or otherwise as said Buyer may deem advisable, under the International Convention or otherwise; the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments being hereby authorized to issue or transfer all said Letters Patent to said Buyer in accordance herewith; this sale and assignment being under covenant, not only that full power to make the same is had by the Seller, but also that such sold and assigned right is not encumbered by any grant, license, or other right heretofore given, and that the Seller and its authorized representatives, including, but not limited to Starks, will do all acts reasonably serving to assure that said inventions, patent applications and Letters Patent shall be held and enjoyed by Buyer as fully and entirely as the same could have been held and enjoyed by the Seller if this sale and assignment had not been made, and particularly to execute and deliver to said Buyer all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and substance which may be requested by Buyer, to furnish Buyer with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.
