HEIDELBERG DIGITAL L.L.C.

ASSIGNMENT

CASE No. HEID-25,484 HDI-10152

WHEREAS, I, Dana G. Marsh, 1737 Arcadia Zurich Norris Road, Newark, New York 14513, and Michael W. Frauens, Heckerstrasse 9, 69124 Heidelberg, Germany, hereinafter called the "Assignors" am the first and joint inventor of the invention described in the United States patent application entitled **METHOD FOR REDUCING RUB-OFF FROM A TONER IMAGE USING A COLORED PHASE CHANGE COMPOSITION**, executed by the Assignor concurrently with this Assignment;

WHEREAS, HEIDELBERG DIGITAL L.L.C., a Limited Liability Company organized and existing under the laws of the State of Delaware, having its principal office and place of business in the City of Rochester, State of New York hereinafter called the "Assignee", is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application in the United States of America and in any and all countries foreign thereto, and all patents which may be obtained for said invention as set forth below;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignors have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives, and assigns, the entire right, title and interest in, to and under the said invention, and the said application, and all provisional, divisional, renewal, substitutional, and continuing applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention, all rights to register said invention in appropriate registries, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States of America and all extensions, renewals and reissues thereof.

THE ASSIGNORS HEREBY covenant and agree, for both the Assignors and the Assignor's legal representatives, that they has full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.

THE ASSIGNORS HEREBY further covenant and agree that they will communicate to said Assignee, its successors, legal representatives and assigns, any fact known to them respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, renewal, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.

The Commissioner of Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, are hereby authorized and requested to issue all Letters Patent for said invention to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

IN TESTIMONY WHEREOF, the Assignors have executed this agreement.
