ASSIGNMENT

WHEREAS, THOMAS LATONE, residing at Quakerstown, Pennsylvania, a citizen of the United States and BARENT ROTH, residing at East Greenville, Pennsylvania, a citizen of the United States (hereinafter referred to as the "Assignors") represent that they are the inventors of a certain new and original design for a

DENTAL PICK

(hereinafter referred to as the "Invention") for which they have executed an application for Design Letters Patent of the United States on the 24 day of July 2002 and on the 24 day of July 2002 respectively, which is the only application for Design Letters Patent executed by each of them for a DENTAL PICK on such respective days; and

WHEREAS, Dental Concepts LLC, a Delaware limited liability company, having an office for the transaction of business at 650 From Road, Paramus, New Jersey (hereinafter referred to as the "Assignee") desires to acquire the entire right, title and interest in and to said Invention, and in and to said application, and in and to any Design Letters Patent which may be obtained therefor or thereon;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for monetary consideration to them in hand paid, and any other good and valuable consideration, the receipt of all of which is hereby acknowledged, the said Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Assignee, its successors and assigns, the entire right, title and interest in and to said Invention, and in and to said application, and in and to any Design Letters Patent which may be obtained therefor or thereon in the United States and all foreign countries, and in and to any reissues or extensions of any Design Letters Patent which may be granted for said Invention and which the said Assignors may acquire by invention or otherwise, the same to be held and enjoyed by the said Assignee for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term for which said Design Letters Patent or any reissues or extensions thereof may be granted, as fully and as entirely as the same might be held by the said Assignors had this assignment and sale not been made, and the said Assignors hereby represent and warrant that they have not granted and will not grant any rights or interest and that they have not executed and will not execute any instrument inconsistent with the rights granted herein, and that they hereby bind themselves, their heirs, executors, administrators and legal representatives to execute any and all papers and instruments and to do any and all acts which may be necessary or required by the said Assignee in order to carry into full force and effect this sale, assignment and transfer and to obtain and enforce the patent or patents which may be granted for said invention.

The said Assignors hereby authorize and request the Commissioner of Patents and

Trademarks to issue Design Letters Patent which may be granted for said Invention to the said Assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the said Assignors have each hereunto set their hand and seal on the day set forth below.
