ASSIGNMENT

WHEREAS, we, Douglass E. Hughes having a residence address of 3457 Iris Court, Boulder Colorado 80304 and Rich Buhler, having a residence address of 2193 Sand Dollar Circle, Longmont, Colorado 80503, have made a certain new and useful invention relating to a Liquid and Gas Porous Polymer Filter and Methods of Use, for which we are making or we have made application for Letters Patent of the United States, said application being identified by Client/Matter No. 82477.0005.000, in the law firm of Hogan & Hartson, LLP, 1200 Seventeenth Street, Suite 1500, Denver, Colorado 80202, and which is executed concurrently herewith;

WHEREAS Polymeric, Inc., a Delaware corporation having a principal address of 1650 Skyway Drive, Suite 2, Longmont, Colorado 80504 ("POLYMERICS") is desirous of acquiring the entire right, title and interest in and to said invention, said application, and the Letters Patent to be obtained therefor.

NOW THEREFORE, for certain good and valuable consideration to us hand paid, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, and set over, and by these presents do hereby sell, assign, and set over, to POLYMERICS, and said assignee's legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention, said application, all continuing applications, reissued and reexamined patents, and the Letters Patent, both foreign and domestic, that may or shall issue thereon; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to POLYMERICS, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, we do hereby covenant and agree with said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration, but at the expense of said assignee,

execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuing divisional, renewal, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or choices in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood and the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties.

IN WITNESS WHEREOF, we hereby state that we have read the foregoing Assignment and have hereunto set our hands and affixed our seal on the date hereinafter set forth.
