A S S I G N M E N T

WHEREAS, we, Douglas A. CRAWFORD, Eric D. GOLESH, Edward L. FLICK and Matthew RAUWERDINK, whose residence addresses are shown below, have made a certain original and ornamental design relating to an Adjustable Dumbbell, for which we have made application for Design Letters Patent of the United States, which application may be identified in the United States Patent Office as Application Serial No. 29/164,972, filed on August 1, 2002, for ADJUSTABLE DUMBBELL; and

WHEREAS, we now own the entire right, title and interest therein; and

WHEREAS, Nautilus, Inc., a Washington corporation, whose business address is 1886 Prairie Way, Louisville, Colorado 80027, is desirous of acquiring the entire interest in and to said design, said application, or any continuation, continuation-in-part, divisional, renewal, or substitute thereof, international and foreign and regional applications corresponding thereto, and the Design Letters Patent, or any reissue or reexamination thereof, to be obtained therefor:

NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration to us in hand paid, the receipt and sufficiency of which are hereby acknowledged, we have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto the said Nautilus, Inc., and said assignee's legal representatives, successors and assigns, the entire right, title and interest in and to said design, said application or any continuation, continuation-in-part, divisional, renewal or substitute thereof, international and foreign and regional applications corresponding thereto, and the Design Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or reexamination thereof; and we do hereby authorize and request the Commissioner of Patents to issue said Design Letters Patent to the above-mentioned assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, we hereby covenant and agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, renewal, reissued or extended Design Letters Patent of the United States, or of any

and all foreign countries, on said design, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals on the date indicated below.
