ASSIGNMENT

THIS ASSIGNMENT, made by **SDL, Inc.**, a corporation of the state of **Delaware**, having its principal place of business at **80 Rose Orchard Way, San Jose, California, United States of America, 95134**, hereinafter referred to as assignor;

WITNESSETH: That,

WHEREAS the above named corporation is the owner of the entire right, title, and interest in and to the US patents and patent applications set forth in Schedule A attached hereto, and all rights therein provided by international conventions or treaties, and the inventions disclosed and claimed therein, and any applications that rely on one or more of the patents and patent applications set forth in Schedule A for priority, including with respect to all of the foregoing, any and all divisionals, continuations, continued prosecution applications, continuations-in-part, reissues, reexaminations thereof as well as foreign counterparts thereof, together with all patents issuing on any of the aforesaid applications for a patent, subject to any U.S. Government rights therein (collectively the "Patents and Patent Applications");

WHEREAS **JDS Uniphase Corporation**, a Delaware corporation having its principal place of business at **1768 Automation Parkway, San Jose, California, U.S.A., 95131**, hereinafter referred to as assignee, is desirous of acquiring the assignor's entire right, title, and interest in and to said Patents and Patent Applications;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, its entire right, title, and interest in and to said Patents and Patent Applications.

The assignor further covenants and agrees that, at the time of execution and delivery of these presents, it possesses full title to said Patents and Patent Applications as earlier

identified subject to any U.S. Government rights therein, and that it has the unencumbered right and authority to make this assignment.

Executed this 26th day of March, 2002.
at San Jose CA, United States.
