ASSIGNMENT

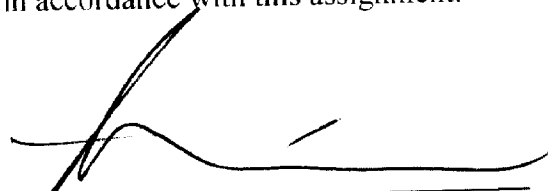

WHEREAS, We, Andre Grasso and Joel Miller have invented certain new and useful improvements in

GARMENT CARE APPARATUS

as described or intended to be described and set forth in the application filed herewith; and

WHEREAS, **Black + Gray Design + Manufacturing, Inc.**, a corporation organized and existing under and by virtue of the laws of the state of New York, United States, and having a place of business at 1602 Route 9, P.O. Box 349, Garrison, New York 10524 is desirous of acquiring the entire right, title, and interest in and to said invention, improvements, application and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof;

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of One Dollar (\$1.00) to us in hand paid, and other good and valuable considerations, the receipt of which is hereby acknowledged, we, the said Andre Grasso and Joel Miller, have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said **Black + Gray Design + Manufacturing, Inc.**, its successors and assigns, the entire right, title and interest in and to said invention, improvements, the new application filed herewith, and any Letters Patent which may be granted therefor or thereupon, together with any and all division, continuations, reissues and extensions thereof, all our foreign rights to said invention, and all our rights under the International Convention in respect to said invention and application, and authorize the said **Black + Gray Design + Manufacturing, Inc.** to apply for patents in foreign countries, claiming the filing date of the U.S. application under the provisions of the International Convention. And we hereby agree to communicate to the said **Black + Gray Design + Manufacturing, Inc.** or its representatives any facts known to us respecting said invention and improvements, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and in addition to execute any and all documents that may be required in order that the said **Black + Gray Design + Manufacturing, Inc.** may make application for Letters Patent on said invention in foreign countries in its own name. And we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters patent which may be granted for or upon said invention or applications unto the **Black + Gray Design + Manufacturing, Inc.**, its successors and assigns, in accordance with this assignment.
