ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, APM DESIGN LABS, INC., the record owner of U.S. Letters Patent No. 5,640,497, issued on June 17, 1997 and entitled "Layout Redesign Using Polygon Manipulation" ("the '497 patent"), and its predecessors, successors and assigns, by and through their duly authorized undersigned representative, PHILLIP ALEXANDER WOOLBRIGHT, do hereby:

SELL, ASSIGN AND TRANSFER to APM DESIGN LABORATORIES, INC. ("Assignee"), a corporation organized and existing under the laws of the State of Arizona, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the '497 patent, such Letters Patent and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including (a) the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States, and (b) the right to sue for and recover all past, present and future damages for infringement of the '497 patent;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT that, when requested and at the expense of Assignee, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for securing, maintaining

and enforcing proper patent protection for such improvements and for vesting title to such improvements in the Assignee;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
