**Assignment of Patent**

WHEREAS, I, Clyde M. McKee, residing at 4701 Cornell Street, Dearborn Heights, Michigan 48125 (hereinafter referred to as Assignor), having invented a new and useful invention entitled:

**Horizontally And Vertically Movable Remote Controlled Mirror Unit For Commercial Vehicles**  
as set forth in United States Letters Patent No. 5,082,361 issued January 21, 1992 by the same title; and

WHEREAS, Rosco, Inc., a New York corporation having a business address of 144-31 91st Avenue, Jamaica, New York 11435-4397 (hereinafter referred to as Assignee), is desirous of acquiring from Assignor all of Assignor's right, title and interest in and to said invention and said Letters Patent identified above which Assignor has, including the right to sue and to collect damages for past infringements (if any), and is desirous of defending and enforcing any patent assigned hereunder, should that ever be necessary or desirable, in Assignee's sole opinion to do so,

NOW, THEREFORE, in consideration of One (\$1.00) Dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, Assignor's entire right, title and interest in and to:

(1) the above-mentioned invention and the Letters Patent identified above, including any further letters patent which may be granted therefor and thereon, including any reexamination, reissue or extension of said Letters Patent (if any) that may be obtained or granted in the future, and

(2) any claims, damages, collections and/or other recoveries for any past and/or current infringements of the Letters Patent identified above,

the same to be held and enjoyed by the Assignee, for its own use and benefit, to the full end of the term or terms for which said Letters Patent has been granted and for which any reexamined patents, reissues or extensions of said Letters Patent (if any) may be obtained or granted in the future.

AND for the same consideration, the Assignor hereby covenants and agrees with Assignee, its successors, legal representatives and assigns, that Assignor will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or any proceeding in connection with said U.S. Letters Patent, including any re-examination and/or interference proceeding, is lawful and desirable, or that any reissue or extension of said U.S. Letters Patent to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of said Letters Patent and/or of any reexamined patent, reissue or extension thereof, without charge to Assignee or its successors, legal representatives and assigns, but at the expense of Assignee and its successors, legal representatives and assigns.

IN WITNESS WHEREOF, the Assignor has executed this Assignment on this 9th day of August 2002.
