(A) my entire right, title and interest for all countries in and to my invention relating to and entitled

METHOD AND SYSTEM FOR VAPORIZATION OF A SUBSTANCE

as fully described in an application submitted simultaneously herewith for Letters Patent of United States, serial number to be announced for A Method and System for Vaporization of a Substance executed herewith, together with my entire right, title and interest in and to said application, any and all divisional applications together with my entire right, title and interest in and to said application, any and all divisional applications thereof, any and all Letters Patent of United States which may issue or be re-issued for said invention to the full end of the term for which each said Letters Patent may be granted;

AND I hereby authorize the issuance to said assignee of any and all said Letters Patent not already issued as the assignee of my entire right, title and interest in and to the same, for the sole use and benefit of said assignee, its successors, assigns or legal representatives.

AND I, on behalf of myself and my executors and administrators, hereby covenant and agree to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications, and other instruments as may reasonably be required by said assignee, its successors, assigns or legal representatives, to obtain any and all Letters Patent of United States for said invention and vest the same in said assignee, its successors, assigns or legal representatives.

AND I, authorize and empower said assignees, their successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

AND I, hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignees or nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND I, covenant with said assignees, their successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
