ASSIGNMENT

Whereas, we, James E. Pelot, 229 Lakeway Drive, Lewisville, North Carolina 27023; and Stephen Z. Baxter, 1101 Dallas Stanley Highway, Dallas, North Carolina 28034, have invented a new and useful Improvement in CONCRETE COMPOSITION for which an application for United States Letters Patent was filed on October 31, 2001 and assigned Serial No. 09/999,659.

Now, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to us by Glasflo Products, Inc., a corporation organized under the laws of the State of North Carolina, having a principal place of business at Lakeway Drive, Lewisville, North Carolina, the receipt whereof is hereby acknowledged, we do hereby assign, sell, and transfer unto the said Glasflo Products, Inc., its successors and assigns, the entire right, title, and interest in said invention and application (including all inventions disclosed therein) for the United States and all countries foreign thereto, and any Letters Patent which may issue therefor in the United States and all countries foreign thereto and all divisions, reissues, continuations, extensions thereof. The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. We covenant that we are the lawful owners of the invention and application above mentioned, that the same are unencumbered, that no license has been granted to make, use, or sell the said invention, and that we have the full right to make this assignment, and agree that we will communicate to said assignee or its representatives any facts known to us respecting said invention, and will, upon request, testify in any interference proceedings, sign all lawful papers, execute all divisional, continuing, or reissue applications, make all rightful oaths, and generally do everything which in the opinion of said assignee or its attorneys may be reasonably required to aid said assignee to obtain full protection for said invention.
