Whereas I, the above-identified inventor have made an invention entitled a METHOD FOR NEURAL CURRENT IMAGING for which I executed an application for United States letters patent;

And, whereas I desire to assign my entire right, title and interest in and to said invention to the above-identified Assignee, and whereas said Assignee desires to acquire all of my right, title and interest in and to said invention;

Now, this indenture witnesseth, that for the sum of one dollar (\$1.00), and other good and valuable consideration, the receipt whereof is hereby acknowledged;

I hereby assign, sell and transfer my entire right, title and interest in and to said invention in the United States and in any foreign country, said application including any divisions, continuations, continuations-in-part and applications claiming foreign priority based thereon, and any letters patent to be issued therefor in the United States and any foreign country, including any re-issues or extensions that may be made or granted thereon, unto said Assignee;

And I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Letters Patent to said Assignee, as assignee of the whole right, title and interest thereto;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and Letters Patent of the United States and countries foreign thereto;

And I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents for filing divisions, continuations and continuations-in-part of said application for patent, and/or,

for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.
