ASSIGNMENT OF RIGHTS TO INVENTION

FOR GOOD AND VALUABLE CONSIDERATION,

ASSIGNOR: BECHTEL CORPORATION ("Bechtel")
50 Beale Street
San Francisco, CA 94105

hereby assigns and transfers to

ASSIGNEE: Richard B. Greenwalt
60 Oakridge Court
Danville, CA 94506

and the successors, assigns and legal representatives of the Assignee the entire right, title and interest in and to the invention described in U.S. Patent No. 6,273,265 entitled "MAGNETICALLY ENHANCED GRAVITY SEPARATOR" and applications on which it claims priority, and all foreign counterparts (including patent, utility model and industrial designs, together with patents issuing thereon).

The Assignee shall (i) be responsible for payment of all patent maintenance fees, (ii) take all reasonable steps to preserve the confidentiality of any trade secrets associated with Bechtel's activities in working with their future customers and business associates, consistent with current Bechtel practice, and (iii) indemnify, defend and hold Bechtel harmless from and against any and all claims made by third parties arising out of the assignee's application of the intellectual property and patent.

The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made, for the full term of any Letters Patent and Registrations granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Notwithstanding the foregoing, Bechtel reserves and retains unto itself, and Assignee agrees to said reservation and retention, an irrevocable, royalty-free, non-exclusive, worldwide license to use said invention and any related trade secrets in Bechtel's business. Said license is also granted to corporate affiliates of Bechtel, which corporation and its affiliates may utilize said license in the conduct of business with clients thereof.

IN WITNESS WHEREOF, Assignor and Assignee have hereunto executed this document this 7 day of August 2002.

AGREED:

By: Richard B. Greenwalt
