ASSIGNMENT

WHEREAS, I, the undersigned, JOHN P. MAHON, a citizen of the Country of Australia and permanent resident of the United States, and having a residence in the City of Thousand Oaks, State of California, have invented a certain new and useful improvement in a High Gain, Low Side Lobe Dual Reflector Microwave Antenna, for which I have filed an application for United States Untitled Letters Patent Application, executed contemporaneously herewith, and which is being filed contemporaneously herewith, and

WHEREAS, I verily believe myself to be the original, first and sole inventor of the invention set forth in said provisional patent application and represent that I have not conveyed or hypothecated any right or interest therein, and

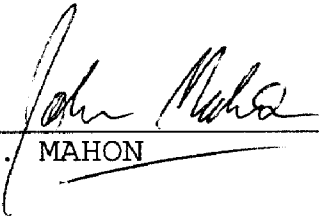

WHEREAS, OPTIM MICROWAVE, INC., a corporation of the State of California, and having a principal place of business at 31900 Via Colinas, #101 West Lake Village, California 91362-1841, U.S.A. (sometimes hereinafter referred to as said "Assignee"), is desirous of acquiring the entire and exclusive right, title and interest in and to this invention, and all patent applications which may be filed thereon, and any and all Letters Patent which may be granted or issued therefor in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing.

NOW, THEREFORE, in recognition of obligations voluntarily assumed by us, and in further consideration of my employment by OPTIM MICROWAVE, INC., or a subsidiary thereof, I do hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith, all to be held and enjoyed as fully and completely as the same might have been held by me had this assignment not been made, and I hereby authorize and request the Commissioner of Patent and Trademarks of the United States and the duly constituted authorities of foreign countries to issue all Letters Patent relating to the foregoing assigned rights to said Assignee, its successors and assigns.

I agree that I will at all times keep said Assignee advised of my whereabouts, and I will promptly, upon request, and without further compensation, but at no out-of-pocket cost or expense to me, do all lawful acts including the execution of all necessary documents, and the giving of testimony, that in the opinion of the said Assignee, its successors and assigns, may be necessary or desirable for obtaining, sustaining, or reissuing United States and foreign Letters Patent relating to the foregoing assigned rights,

and for perfecting, affirming, recording and maintaining the title of said Assignee, its successors and assigns thereto, and that we will generally cooperate to the fullest extent in all matters pertaining to said invention and patents, and said Assignee's title thereto.

IN WITNESS WHEREOF, I have executed this instrument at Los Angeles County, California, this 23rd day of August, 2002.

JOHN P. MAHON
