ASSIGNMENT OF PATENT

RECITALS:

- (a) Marsulex Inc., a Canadian company, whose address is: 111 Gordon Baker Road, Suite 300, North York, Ontario, M2H 3R1 (the "Assignor") is the lawful owner of the entire right, title and interest in and to certain inventions (collectively, the "Inventions"), as more particularly described in Schedule "A" to this Assignment, for which Applications for Letters Patent of United States (the "Applications") have been made; and
- (b) Chemtrade Logistics (US), Inc., a Delaware corporation, whose address is: 111 Gordon Baker Road, Suite 300, North York, Ontario, M2H 3R1 (the "Assignee") is desirous of acquiring the entire right, title and interest in the United States in and to the Inventions, and in, to and under any and all United States Patents to be obtained therefor,

In consideration of ONE DOLLAR (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Assignor has and by these presents does sell, assign and transfer unto the Assignee, its successors and assigns, the Assignor's entire right, title and interest in and to the Inventions in any form or embodiment thereof, and in and to the Applications; also the Assignor's entire right, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in the United States on the Inventions, and any divisional, continuation, continuation-in-part, or substitute applications which may be filed on the Inventions in the United States; and the issuing authority is authorized and requested to issue any and all patents on the Inventions to Assignee:

The Assignor further agrees, without any payment by the Assignee other than expenses incurred by the Assignor, to communicate to the Assignee, its representatives or agents, facts relating to the Inventions, including evidence for interference purposes or for other proceedings, whenever requested; to testify in any interference or other proceedings, whenever requested; and to execute and deliver on request all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon any legal heirs, legal representatives, administrators, successors and assigns. The Assignor warrants that, at the time of execution and delivery of this instrument, the Assignor is the lawful owner of the entire right, title and interest in and to the Inventions and the Applications, and that the same are unencumbered and the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

IN WITNESS whereof I have hereunto set our hand and seal this 28th day of May, 2002
