and all right, title and interest in and to Letters Patent and similar protective rights granted on said applications in the United States and other countries, as well as the right to claim any

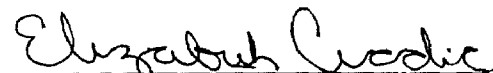

applicable priority rights arising from said applications under the terms of any applicable conventions, treaties, statutes or regulations, said applications to be filed and issued in the name of Eastman Chemical Company and Procter and Gamble Company or their designee; and I/we agree to execute such documents as in the judgment of Eastman Chemical Company and Procter and Gamble Company may be necessary to obtain any such patents and similar protective rights and vest and maintain the title thereto in Eastman Chemical Company and Procter and Gamble Company or their designee; and I/we further agree that, upon request, but without expense to me/us, I/we shall furnish to Eastman Chemical Company and Procter and Gamble Company or their designee any data, information, exhibits, memoranda, or other evidence in our possession relating to any of said inventions, discoveries or improvements and to testify in any ex parte or inter partes legal proceedings relating to any of said inventions, discoveries, improvements, applications, patents or similar protective rights; and I/we authorize and request issuance of all Letters Patent and similar protective rights that may be granted on any of said applications, to the extent that and in such manner as such issuance shall be requested by Eastman Chemical Company and Procter and Gamble Company or their designee. This document shall be governed, construed, and interpreted in all respects in accordance with the laws of the State of Tennessee, USA.
