ASSIGNMENT

WHEREAS, I Kelly^{L.}/Johnson of 280 Glenburn Drive, Centerville, OH 45459

have invented certain new and useful improvements in a _____

PRINTER WITH INTERPRETER

and have executed an application for a United States patent based thereon. Said application was filed on _____ and assigned Serial No. _____;

AND WHEREAS, PAXAR CORPORATION, a corporation organized and existing under the laws of the State of New York and having its place of business at 105 Corporate Park Drive, White Plains, New York, 10604-3814, U.S.A., is desirous of acquiring certain rights thereunder;

NOW THEREFORE, for one dollar and other good and valuable consideration, receipt of all of which is hereby acknowledged, I have agreed to and do hereby sell, assign and transfer unto said corporation the entire right, title and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said application and any and all patents (including extensions thereof, and all the rights under the International Convention for the Protection of Industrial Property including the right to claim for any foreign patent application the priority date of the corresponding U.S. Patent application) of any country, which have been or may be granted on said invention or any part

thereof, or on said application or any divisional, continuing, renewal, substitute, reissue or other patent application based in whole or in part thereon, or based upon said invention;

TO BE HELD AND ENJOYED by said corporation, its successors and assigns to the full ends of the respective terms for which said patents or any of them have been or may be granted, as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made;

AND I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States patents which may be granted upon said United States application or any of them, or upon said invention or any part thereof, to said corporation;

AND I hereby agree for myself and for my heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any divisional, continuing, renewal, substitute, reissue, or other applications for patents of any country that may be deemed necessary by said corporation fully to secure to said corporation its interest as aforesaid in and to said invention or any part thereof, and in and to said several patents or any of them;

AND I do hereby covenant for myself and my legal representatives, and agree with said corporation, its successors and assigns, that I have granted no right or license to make, use or sell said invention to anyone except said corporation, that prior to the execution of this deed my right, title and interest in said invention had not been otherwise encumbered, and that I have not executed and will not execute any instrument in conflict herewith.

WITNESS my hand and seal this 10th day of July, 2002
