JOINT PATENT ASSIGNMENT
(One Half Interest)

WHEREAS, JB RESEARCH, INC., a California corporation having a place of business at 9062 Rosecrans Avenue, Bellflower, California 90706 ("Assignor"), and JBR Acquisition LLC, a California limited liability company having a place of business at 44061 Nobel Drive, Fremont, California 94538 ("Assignee"), have entered into that certain Asset Purchase Agreement dated as of December 31, 2000 (the "Asset Purchase Agreement");

WHEREAS, Assignor, is owner of a one-half undivided interest in all inventions, patents and patent applications and all foreign patents and patent applications corresponding thereto or based thereon (including Confidential Information as defined in the Asset Purchase Agreement), and any technical information related thereto used in connection with the OEM Business and the Sold Consumer Business (as each is defined in the Asset Purchase Agreement) including those described on Schedule 2.2(b)-2 and 2.2(b)-4 (collectively, the "Patents");

WHEREAS, Assignee is desirous of acquiring an undivided one-half interest in all of Assignor's right, title and interest in and to the Patents in the United States and throughout the world;

WHEREAS, Assignee's use of such Patents is limited to use in connection with the OEM Business;

NOW, THEREFORE, for and in full consideration of the mutual provisions contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor does hereby sell, assign, convey and set over unto Assignee all of Assignor's right, title and interest (which is a one-half undivided interest) in and to the Patents, including without limitation, all subject matter invented or designed by Assignor or any predecessor in interest relating to the same and any patents, reissues, extensions, divisions, continuations or continuations-in-part that may be obtained for said Patents, and any patents issued on any pending, provisional or later filed applications, and any foreign applications or patents corresponding thereto throughout the world, and any Confidential Information relating thereto, the same to be held and enjoyed by Assignee for its own use and for the use of its successors or assigns to the end of the term or terms of any such patents or reissues, extensions, divisions, continuations or continuations-in-part thereof, as fully and entirely as the same would have been held by Assignor if this Patent Assignment had not been made, including the full right to claim the benefits of any international conventions.

2. Assignor authorizes and requests that the Commissioner of Patents and Trademarks and any other issuing office issue, any and all patents on the inventions or applications included in the Patents, or any divisions thereof, to Assignee and Salton as the joint owners of the interests herein assigned.

This Patent Assignment shall be effective as of this 20 day of Feb, 2001.
