PCT International Patent ApplicationASSIGNMENT

WHEREAS we, CARLO ALBERTINI of Via Del Pini 17, 21027 Ispra (VA), Italy and KAMEL LABIBES of Via Garibaldi 19, 21030 Orino (VA), Italy (hereinafter called the "Assignors"), have made a certain new and useful invention or inventions entitled "IMPROVEMENTS IN OR RELATING TO SEISMIC WAVE MEASURING DEVICE" as set forth in the specification of PCT International Patent Application numbered PCT/IB01/00281 filed 16 February 2001 designating all eligible countries that had ratified the Patent Co-operation Treaty at the filing date thereof including *inter alia* United States of America, Canada, Australia, Japan, Norway and a European Patent for all EPC countries

AND WHEREAS, EUROPEAN COMMUNITY of Rue de la Loi 200 B-1049 Brussels (hereinafter called the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention or inventions and in and to any and all patents or like protection which may be obtained therefor in the United States of America, Canada and elsewhere, including all the countries designated in the aforesaid PCT International Patent Application

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration of which receipt is hereby acknowledged, we do hereby declare to have assigned and transferred and do hereby assign, transfer and set over unto the said Assignee, its/his legal representatives, successors, and assigns, our entire right, title and interest in and to said invention or inventions as fully set forth and described in the above-mentioned application, and in and to any and all patents or like protection, whether original, divisional, reissued, or extended patents, which may be issued in the United States of America, Canada and elsewhere for said invention or inventions or for any part thereof in pursuance of entry of the above-mentioned application into the National/Regional Phase for the respective designated countries, or any division or continuation thereof or any application for reissued patent, or in pursuance of any equivalent application, thereby to enable the said Assignee to obtain as sole proprietor or otherwise secure the whole benefit of such patent or patents;

AND, in pursuance of this assignment, we do hereby further agree with the said

Assignee that we will not do any act whatsoever conflicting with these presents and that we will at any time upon request, without demanding any further or additional consideration but at the expense of the said Assignee, execute such additional assignments and other documents and do all such additional lawful and reasonable just acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining an original, divisional, reissued, or extended patent or patents in the United States, Canada or elsewhere on said invention or inventions or any part thereof, including the execution and acknowledgement of any further instruments and the giving of testimony in any proceedings or transactions that may be or become necessary or desirable for sustaining or reissuing any said patent, for enforcing any rights or chooses in action accruing as a result of any said application or patent, or for maintaining and perfecting the right of the Assignee to said invention or inventions, in whole and in part, and to any said patent, particularly in cases of interference and litigation, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of the Assignors and of the Assignee;

AND specifically in respect of the United States of America we request the Commissioner of Patents to issue any Letters Patent which may be issued for said invention or inventions, or for any part thereof, to said Assignee, its/his legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said Letters Patent and the invention(s) covered thereby;
