ASSIGNMENT

WHEREAS, we, James Ray Brock, residing at 5925 Ballinger Road, Greensboro, North Carolina 27410 and Ronald Coble Mauney, residing at 4259 Bass Mountain Road, Snow Camp, North Carolina 27349, made certain new and useful inventions and improvements for which we filed an application for a Design Patent in the United States on March 29, 2002, application Serial No. 29/158130 which is entitled Bag; and Fire Extinguisher/Bag Combinations.

AND WHEREAS, Walter Kidde Portable Equipment, Inc., (hereinafter "Assignee") a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business in Mebane, North Carolina, is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Design Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all design inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Design Patents or Registrations which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications for Design Registration which have been or shall be filed in any foreign countries for Design Patent or Registration on the design and improvements, including an assignment of all rights under the provisions of the International Convention, and all Patents of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Design Patents for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest, for all countries, to any and all copyrights of the design and any renewals and extension thereof; and we do hereby authorize and request the Copyright Office of the United States to issue any and all United States copyright registrations for the aforesaid design to the Assignee as the assignee of the entire right, title and interest in and to the same, for use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, copyrights, design patents, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
