# ASSIGNMENT

**Whereas**, Fluxion, Inc. ("Assignor"), a California corporation whose post office address is 3171 Guerneville Road, Santa Rosa, CA 95401 has acquired by assignment and, at least in Canada, by operation of law as the first proprietor, the entire right, title and interest in certain new and ornamental designs invented by Douglas H. Murdoch of 2060 Woodside Drive, Santa Rosa, CA 95404 and Lily S. Fisher of 2546 Buss Drive, Santa Rosa, CA 95407 for:

1. a "Pouch for Digital Camera and Accessories" (name as originally filed: "Pouch"), for which an application for a United States design patent was filed on February 8, 2002 as Application Number 29/155,528, in which Douglas H. Murdoch and Lily S. Fisher are named as the inventors and applicants, and for which Canadian Industrial Design Application No. 99361 was filed on May 10, 2002 in the name of Daymen Photo Marketing, Ltd.;

2. an "Equipment Bag for Digital Video-Recording Camera" (name as originally filed: "Bag"), for which an application for a United States Patent was filed on February 8, 2002 as Application No. 29/155,527, in which Douglas H. Murdoch and Lily S. Fisher are named as the inventors and applicants, and for which Canadian Industrial Design Application No. 99362 was filed on May 10, 2002 in the name of Daymen Photo Marketing, Ltd.;

3. a "Flap," for which an application for a United States Patent was filed on February 8, 2002 as Application No. 29/155,525, in which Douglas H. Murdoch and Lily S. Fisher are named as the inventors and applicants, and for which Canadian Industrial Design Application No. 99363 was filed on May 10, 2002 in the name of Daymen Photo Marketing, Ltd.; and

4. an "Equipment Bag for Digital Video-Recording Camera" (name as originally filed: "Bag"), for which an application for a United States Patent was filed on February 8, 2002 as Application No. 29/155,526, in which Douglas H. Murdoch and Lily S. Fisher are named as the inventors and applicants, and for which Canadian Industrial Design Application No. 99364 was filed on May 10, 2002 in the name of Daymen Photo Marketing, Ltd.

(The designs and the applications identified above will be referred to below collectively as the "Designs" and the "Applications," respectively.)

**Whereas**, Daymen Photo Marketing, Ltd. ("Assignee"), a Canadian corporation whose post office address is 100 Spy Court, Markham, Ontario L3R 5H6 Canada, is desirous of acquiring the entire right, title and interest in the same;

**Now, therefore**, in consideration of the sum of one U.S. dollar (\$USD1.00) and other good and valuable consideration, the receipt whereof is acknowledged, Assignor, by these presents, sells, assigns, and transfers to Assignee its entire right, title, and interest in the Designs and modifications and improvements of the Designs, the Applications, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all patents or industrial design registrations of the United States of America and of Canada, and countries foreign thereto, which may be granted for the Designs and for modifications and improvements of the Designs, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to Assignor with respect to the filing of applications for patents or industrial design registrations or securing of patents or industrial design registrations for the Designs and modifications and improvements of the Designs in the United States of America and Canada and countries foreign thereto.

**Assignor hereby authorizes and requests** the Commissioner for Patents to issue said United States patent or patents to the Assignee (or to its assignees or other successors in interest), as assignee of the entire right, title, and interest in and to the same, for its sole use and benefit, to the full end of the term for which said United States patent or patents may be granted, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.

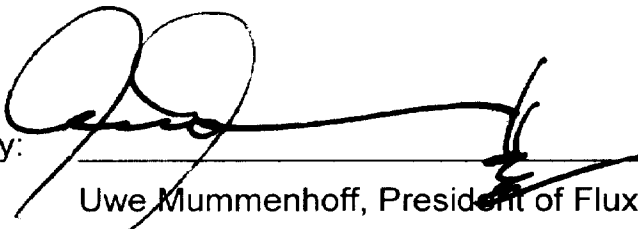

**Assignor agrees** to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee (or its assignees or other successors in interest) may from time-to-time present to Assignor, in order to perfect title in the Designs and modifications and improvements in the Designs, applications, patents, and industrial design registrations of the United States of America and Canada and countries foreign thereto,

**Assignor agrees** to sign and properly execute such necessary and lawful papers for application for foreign patents and industrial design registrations, for filing divisions, continuations, and continuations-in-part of the Applications, and for obtaining any reissue or

reissues of any patents or industrial design registrations which may be granted for the Designs and modifications and improvements of the Designs, as the Assignee (or its assignees or other successors in interest) shall hereafter require and prepare at its own expense.

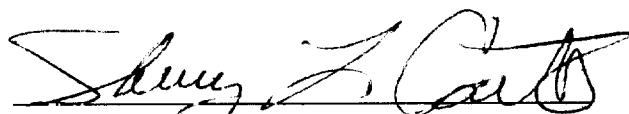

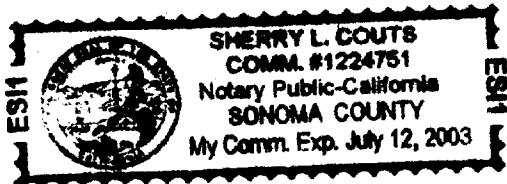

Executed this 22<sup>nd</sup> day of August 2002 at Santa Rosa, California.
