**PATENT ASSIGNMENT BY INVENTOR**

WHEREAS, the undersigned, hereinafter referred to as Assignor, has invented "A method of protecting data stored in the memory device of a computer system and equipment to carry out this method" as disclosed in International Patent Application No. PTC/CZ99/00036 filed with the European Patent Office on October 12, 1999 and in the United States Patent Application No. 09/581,076 filed on June 9, 2000; and

WHEREAS, SOLID ACCESS Technologies Limited Liability Company, a Massachusetts corporation, having a place of business at 9 Spring Street, Newburyport, Massachusetts 01950, USA, hereinafter referred to as Assignee, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee, his successors in interest, the full and exclusive right in the Czech Republic, United States of America and all foreign countries, including the right to claim priority under the laws of the United States and the Paris Convention, to the said invention as described in the specification executed by Assignor preparatory to filing Czech Republic and United States application for patent therefor, including any and all future improvements thereof, said invention and all applications for patent and all Letters Patent therefor to be held and enjoyed by Assignee to the full end of the term for which said Letters Patent are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made; and Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of United States application for patent and all foreign countries on, for litigation regarding, or for the purpose of protecting title to the said invention, the United States application for patent, or Letters Patent therefor for the benefit of Assignee without further or other compensation than that above set forth; and Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States of America to Assignee.
