Attorney Docket No. 11193.02

ASSIGNMENT

WHEREAS, we, John E. LITZ, and Charles S. WILLIAMS, whose post office addresses are shown below, have made a certain new and useful invention relating to the removal of arsenic from aqueous media, for which we have made application for Letters Patent of the United States, which application may be identified in the United States Patent Office as Application Serial No. 10/256,854 filed on September 26, 2002, for METHODS AND APPARATUS FOR REMOVAL AND DESTRUCTION OF AMMONIA FROM AN AQUEOUS MEDIUM; this application claims priority to the provisional application, Serial No. 60/325,141, filed on September 26, 2001 entitled "Methods And Apparatus For Removal And Destruction Of Ammonia From An Aqueous Medium Using Zeolites," and

WHEREAS, we now own the entire right, title and interest therein; and

WHEREAS, Water Remediation Technology LLC a Colorado corporation, whose post office address is 5460 Ward Road, Suite 100, Arvada, Colorado 80002, is desirous of acquiring the entire interest in and to said invention, said application or any continuation, continuation-in-part, divisional, renewal, or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, or any reissue or reexamination thereof, to be obtained therefor:

NOW THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to us in hand paid, the receipt and sufficiency of which are hereby acknowledged, we have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto the said Water Remediation Technology LLC, and said assignee's legal representatives, successors and assigns, the entire right, title and interest in and to said invention, said application or any continuation, continuation-in-part, divisional, renewal or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or reexamination thereof; and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned assignee, consistent with the terms of this Assignment.

Attorney Docket No. 11193.02

UPON SAID CONSIDERATION, we hereby covenant and agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, renewal, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

We hereby authorize the above-mentioned assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the filing date and serial number of said application when ascertained.

IN WITNESS WHEREOF, we have hereto set our hands and affixed our seals on the date indicated below.
