ASSIGNMENT

WHEREAS, William E. Lawson, an individual having a place of residence at 1917 County Road I, Somerset, Wisconsin 54025, U.S.A., is the owner and inventor of certain United States patents and applications for patent, as enumerated in Schedule A which is attached hereto; and

WHEREAS, Laser Machining, Inc., a corporation organized under the laws of the State of Wisconsin, and having its principal place of business at 500 Laser Drive, Somerset, Wisconsin 54025, is desirous of acquiring all right, title, and interest in, to and under said patents and applications.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, William E. Lawson, has sold, assigned and transferred, and by these presents does sell, assign and transfer unto said Laser Machining, Inc., the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) any invention as fully set forth and described in each of said patents and applications;
- (b) said applications;
- (c) any and all refilings, divisions, and continuations of said applications;
- (d) any and all patents of the United States of America which may issue from said applications, refilings, divisions and continuations;
- (e) said patents, together with the right to sue for and collect damages by reason of past infringement of any of said patents;
- (f) any and all reissues of said patents (including those listed in Schedule A and those encompassed by item (d));
- (g) any and all international or PCT applications upon any invention fully set forth and described in any of said applications which have heretofore been filed or may hereafter be filed, together with all rights to file and to claim priority in connection with said international or PCT applications (including those PCT applications listed in Schedule B attached hereto);
- (h) any and all applications for patent upon any invention fully set forth and described in any of said applications which have therefore been filed or may hereafter be filed in any and

all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;

(i) any and all refilings, divisions and continuations of said foreign-filed applications;

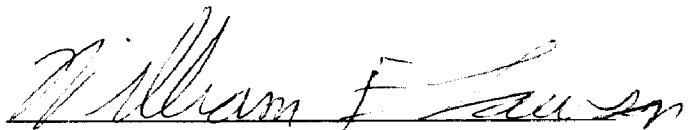

(j) any and all patents of countries foreign to the United States of America which may issue from the said foreign-filed applications, refiling, divisions and continuations; and

(k) any and all extensions of, and additions to, said patents of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by said Laser Machining, Inc. for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said patents may be granted, and William E. Lawson, does hereby authorize and request the Commissioner of Patents and Trademarks to issue said patents in accordance with this Assignment.
