ASSIGNMENT

STANFORD *llb*

Whereas **Jack Fraser Hanson**, whose full post office address is 23 Stamford Road, Unionville, Ontario, Canada L3R 5Y3 (the "Assignor"), has invented certain new and useful improvements in a

DRINKING CUP AND LID

("the Design") as fully set forth and described in an application for registration filed in Canada on the 24th day of April, 2002 under Application No. 99229; and in a United States patent application executed on the date of execution of this assignment;

And whereas **HANSON INTERNATIONAL INC.**, a corporation of Canada having its head office or principal place of business at 752 Cochrane Dr., Unit 1, Markham, Ontario, Canada L3R 8E1 (the "Assignee"), has acquired from the Assignor all right, title and interest in and to the Design for all countries throughout the world, including the right to obtain and hold patents therefor;

Therefore, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, the Assignor hereby assigns and transfers to the Assignee, and confirms that he has assigned and transferred to the Assignee, all right, title and interest in and to the Design and in and to any patent or registration for the Design, and any application for the Design, including any divisional or continuation application, whether presently pending or filed in the future, for all countries throughout the world.

The Assignor hereby agrees to execute without further consideration such further documentation as may be required to obtain any patent or registration for the Design and to vest rights in any application for the Design in the Assignee.
