ASSIGNMENT

WHEREAS, I, Sebastien Coursol, have invented certain new and useful improvements disclosed in an application for United States Letters Patent titled Supplemental Product System and Method and executed by me on even date herewith,

AND WHEREAS, VistaPrint Technologies Limited, a Bermuda corporation (“Assignee”) desires to acquire the entire right, title and interest in and to said improvement and said application, and any Letters Patent and similar or related rights which may be obtained therefore, for the benefit of Assignee and its successors and assigns.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and conveyed, and do hereby sell, assign, transfer and convey to Assignee the entire right, title and interest in and to said improvements, and said application and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility model registrations, inventor’s certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment for the sole use and benefit of Assignee and its successors and assigns;

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to Assignee, its successors and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitute and reissue applications, make all rightful oaths, and generally do all acts requested by Assignee, its successors and assigns, to aid in the obtaining and enforcement of proper patent protection for said improvements in all countries.

Subscribed and sworn this 09/25 day of September, 2002.
