ASSIGNMENT

WHEREAS, I, Conrad Dante, of Portland, County of Washington, State of Oregon, have invented a certain invention, entitled **METHOD OF ROUTING IN A PROGRAMMABLE LOGIC DEVICE**, for which I am making application for Letters Patent of the United States, said application having been filed concurrently herewith; and

WHEREAS, Lattice Semiconductor Corporation, a corporation organized under the laws of the State of Delaware, having a place of business at 5555 NE Moore Court, Hillsboro, Oregon 97124, desires to acquire an interest therein:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, Conrad Dante, hereby sell, assign and transfer to Lattice Semiconductor Corporation, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Lattice Semiconductor Corporation, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Lattice Semiconductor Corporation, or its successors and assigns, any facts known to me respecting said
