# ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, as an undersigned inventor and assignor,

**Hereby sell, assign and transfer to** Nagoya Oilchemical Co., Ltd.  
a corporation of Japan, having a place of business at 213-5, Honowari, Minamishibata-cho,  
Tokai-shi, Aichi, its successors, assigns and legal representatives, the entire right,  
title and interest in and to any and all inventions which are disclosed and claimed, and any and all  
inventions which are disclosed but not claimed, in a United States patent application executed by me on  
June 27, 2002 and entitled A MANUFACTURING METHOD OF A MULTICOLORED  
INTERIOR MEMBER and in and to said application and all divisional, continuing,  
substitute, renewal, reissue, and all other applications for United States Letters Patent or other related  
property rights which have been or shall be filed on any of said inventions disclosed in said application;  
and in and to all original and reissued patents which have been or shall be issued on said inventions;

**Authorize and request** the Commissioner of Patents of the United States to issue to said  
Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance  
with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed  
in said application;

**Agree** that, when requested, without charge to, but at the expense of, said Assignee, its  
successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this  
assignment, I or my executors or administrators will execute all divisional, continuing, substitute,  
renewal, reissue, and all other patent applications or other documents on any and all said inventions;  
execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said  
Assignee, its successors, assigns and representatives, all facts known and documents available to me  
relating to said inventions and the history thereof; testify in all legal proceedings; and generally do  
everything possible which said Assignee, its successors, assigns or representatives shall consider  
desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions  
and for vesting title to said inventions and all applications for patents and all patents on said inventions,  
in said Assignee, its successors, assigns and legal representatives; and

**Covenant** with said Assignee, its successors, assigns and legal representatives that I have  
made no assignment, grant, mortgage or license to others of the rights and property herein conveyed,  
that I have made no other agreement with others affecting the rights and property herein conveyed, and  
that I possess the full right to convey the same as herein expressed.
