**ASSIGNMENT OF PATENT APPLICATION**

WHEREAS, I, Matthew R. Linford, hereinafter referred to as "Assignor", am an inventor of the invention described and set forth in the application for United States Letters Patent, Serial No. {Atty Docket No. ~~ALNS-026P~~ SOAN-026P}, which is entitled "Nanoscopic Hair Care Products"; and

WHEREAS, David S. Soane (the "Assignee"), 109 King Avenue, Piedmont, CA 94610, is desirous of acquiring the entire interest in the invention and application and in any Letters Patent and Registrations which may be granted on the same;

NOW THEREFORE, for good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged by Assignor, Assignor does hereby:

SELL, ASSIGN AND TRANSFER to Assignee his entire right, title and interest for the United States and all foreign countries in and to the invention and application and to any and all future improvements thereon and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on the same; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on the invention and any improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on the invention to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by Assignor;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on the invention and any improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to Assignors relating to the invention and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to the invention and any improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such invention and improvements;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.

IN TESTIMONY WHEREOF, Assignors have signed their names on the dates indicated.
