No.: 042390.P14770 (For Execution After Filing Patent Application)

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I _____,
the undersigned, Chih C. Tsien

hereby sell, assign, and transfer to Intel Corporation
a corporation of Delaware, having a principal place of business at
2200 Mission College Blvd., Santa Clara, CA 95052, ("Assignee"),
and its successors, assigns, and legal representatives, the entire right, title, and interest for the
United States and all foreign countries, in and to any and all improvements that are disclosed in the
application for the United States patent that was filed August 19, 20 02 and assigned
Application No. 10/223,251 and is entitled

Dynamic Frequency Selection and Radar Detection with a Wireless Local Area Network

and in and to said application and all divisional applications, continuation applications, continued
prosecution applications, continuation-in-part applications, substitute applications, renewal applications,
reissue applications, reexaminations, extensions, and all other patent applications that have been or shall
be filed in the United States and all foreign countries on any of said improvements; and in and to all
original patents, reissued patents, reexamination certificates, and extensions that have been or shall be
issued in the United States and all foreign countries on said improvements; and in and to all rights of
priority resulting from the filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said improvements in
its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its
successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this
Assignment, the undersigned will execute all divisional applications, continuation applications,
continued prosecution applications, continuation-in-part applications, substitute applications, renewal
applications, reissue applications, reexaminations, extensions, and all other patent applications on any
and all said improvements; execute all rightful oaths, assignments, powers of attorney, and other papers;
communicate to said Assignee, its successors, assigns, and representatives all facts known to the
undersigned relating to said improvements and the history thereof; and generally assist said Assignee, its
successors, assigns, or representatives in securing and maintaining proper patent protection for said
improvements and for vesting title to said improvements, and all applications for patents and all patents
on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no
assignment, grant, mortgage, license, or other agreement affecting the rights and property herein
