ASSIGNMENT

WHEREAS, we, **Eddie W. King**, a citizen of the United States of America, 2150 Kensington Gates Drive, Kennesaw, GA 30152, and **George Mazereeuw**, a citizen of the Netherlands, 3 Mason Close, Freckleton PR41RG England, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled **Systems and Methods for Temperature Control in Refrigeration Systems and Heating Systems**, filed in the United States Patent and Trademark Office on September 16, 2002; under non-provisional application Serial No. 10/244,951 (we hereby authorize and request that Sutherland Asbill & Brennan LLP insert the filing date and application number in the preceding blanks when known); and

WHEREAS, **The Coca-Cola Company**, a corporation of the State of Delaware having a principal place of business at One Coca-Cola Plaza, NW, Atlanta, Georgia 31313, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Eddie W. King** and **George Mazereeuw**, by these presents do sell, assign and transfer unto **The Coca-Cola Company**, the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **The Coca-Cola Company**, as the assignee, for its interest and for the sole use and benefit of **The Coca-Cola Company** and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **The Coca-Cola Company**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising
